CATEGORY SCORES

Scoring categories are groupings of questions and are subgroups of the 2018 questionnaire. Weightings are applied to scoring to reflect the relative importance of each category to progress environmental stewardship. The weighting applied to each category varies across sectors to highlight the areas most important to specific sectors. Please note that it is not possible for a category score to be higher than the final level. To find out more about category weightings for each sector, download the 'CDP Scoring Categories and Weighting' documents [here](#).

Some categories have not been included for category score breakdown as they either have a single question or are not scored at the Management and Leadership levels.
